Dear President Shannon and Members of the Orland Rotary Club,

On behalf of the Orland Cemetery District, I extend my sincere and heartfelt thanks for your generous donation in support of Wreaths Across America.

Because of your kindness and financial support, we were able to ensure that every Veteran resting within the Orland Cemetery District was honored with a wreath. This meaningful tribute allowed us to remember and honor those who have faithfully served our country, and it would not have been possible without your generous contribution.

We are deeply grateful not only for your donation, but also for your organization's participation in placing the wreaths. The care, respect, and dedication your members demonstrate toward our Veterans and our community are truly commendable and held in the highest regard.

Thank you for your continued commitment to honoring our Veterans. I sincerely appreciate your ongoing support and look forward to continuing our partnership in the years ahead.

With sincere gratitude,

Dottie Tefelski, Program Coordinator
