Hi everyone,

We're excited to share that **RMAP Results are now available!**

Please take a moment to recognize your hard work and contributions.

At the Conclusion of this RMAP cycle, your District scored **10%** and will be awarded **\$3,128.20.**

This will be presented at our next Board Meeting in May, and checks will be sent from our Finance Department after that meeting, closer to June. If you have any questions, feel free to reach out to myself or your RCA.

Congratulations to everyone and thank you for your continued efforts!

Best,

**Sarah Grijalva**

**Risk Control Coordinator**
