RE: 2026 GSRMA Thrive Award

Dear Staci,

On behalf of the entire GSRMA staff and Thrive Awards Committee, we are thrilled to share that the Orland Cemetery District has been selected as this year's **Thrive Award Winner** for its submission: "Reclaiming the Past, Securing the Future."

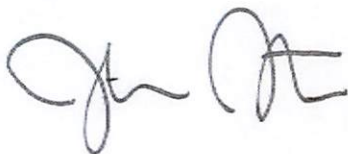

The District's submission truly stood out, and we are excited to recognize the meaningful work that Orland Cemetery District is doing for the families and community it serves. Thank you for taking the time to submit your application, and for exemplifying the reason this award program was established.

To recognize this great achievement, we will present the Thrive Award in front of an audience of your peers at the upcoming GSRMA Annual Conference on Thursday, October 22nd in Corning, CA. Please let us know **who from your agency will be attending the conference to receive the award on behalf of your team**, as we would like to make the arrangements for their stay.

Additionally, we would love to schedule a **podcast-style interview** with your team to highlight your submission, your work, and what makes this achievement so meaningful. The interview will be pre-recorded and shared with attendees during the conference as part of the recognition program. Please let us know **when a good time for your team would be to participate in the recorded interview**, and we will work with you to coordinate the details.

Again, congratulations to the District, and especially the team who contributed to this project! We can't wait to see you at the conference!

Regards,

Jennifer Peters, Chief Member Services Officer
Thrive Awards Committee
